Dear Parent/Guardian:

Under the Federal Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), public high schools must give the names, addresses and telephone numbers of students to military recruiters, college/university recruiters and prospective employers if the recruiters request the information (ESSA, Title VIII,#8528). However, students or their parents have the right to instruct the school in writing that this information is not to be released.

If you do not consent to the release of this information to military recruiters please check the appropriate box or boxes below. To be certain your wishes are respected, return this form to the main office by September 30, 2018.

**DO NOT release student contact information to Military Recruiters.**
