Dear Students and Families,

Welcome to Fort Lee High School and the 2019/2020 school year! My name is Mrs. Serulle-Green and I am delighted to introduce myself as the Freshmen Counselor. I have worked for this district for over 20 years and I am honored to continue to ensure that each student receives the proper personalized support they need in order to excel. All students learn differently and my desire is to continue to advocate and help facilitate a safe learning environment so that students can strive and achieve to their highest potential.

During the month of September, my focus is to help incoming freshmen adjust to the high school environment. All freshmen students will have an introductory meeting with me to discuss various topics such as future course selection, curriculum, academic goals, clubs, and activities. In addition, I will continue to meet with students to help provide the tools necessary to support social/emotional growth, monitor academics, provide mindfulness strategies and to motivate and help beyond the classroom. I am also the Anti-Bullying Specialists (ABS) and the Intervention and Referral Services Chairperson (I&RS) at Fort Lee High School.

Working together will ensure a successful school year. Please do not hesitate to contact me with questions or concerns. Let's make this a great year! Below you will find special events planned for the school year. We encourage all to attend. It is never too early to start your college planning.
